**ANNUAL 47 C.F.R. § 64.2009(e) CPNI COMPLIANCE STATEMENT
OF
CASTLEBERRY TELEPHONE CO., INC.**

EB Docket No. 06-36

In compliance with the annual certification required under 47 C.F.R. § 64.2009(e), the undersigned officer of Castleberry Telephone Co., Inc. (hereinafter, "Castleberry") files the following statement of compliance with the requirements set forth in 47 C.F.R. § 64.2001, *et seq.* on behalf of Castleberry:

1. I have personal knowledge that Castleberry has implemented a system by which the status of a Customer's Proprietary Network Information ("CPNI") approval can be clearly established prior to the use of CPNI.
2. I have personal knowledge that Castleberry has notified its customers of their right to restrict Castleberry's use of, disclosure of and access to their CPNI. Castleberry does not use CPNI for marketing purposes and does not provide CPNI to other parties.
3. I have personal knowledge that Castleberry has designated a CPNI Compliance Officer, who is responsible for supervising the use, disclosure, distribution or access to its customers' CPNI, that Castleberry trains, at least once annually, its personnel who may use, disclose or have access to CPNI as to when such personnel are and are not authorized to use CPNI in accordance with the requirements of 47 C.F.R. § 64.2001, *et seq.*, and that Castleberry has an express disciplinary process in place to deal with breaches of CPNI.
4. I have personal knowledge that Castleberry has implemented procedures to safeguard the disclosure of its customers' CPNI, including the following: procedures for authentication of customers before disclosing CPNI on customer-initiated telephone contacts or business office visits; a customer personal identification number ("PIN") and backup authentication system; notification of customer account changes; and notification of security breaches of customer CPNI to law enforcement agencies. In particular, Castleberry discloses call detail information ("CDI") in a customer-initiated call only after the customer provides his/her PIN; or, at the customer's request, by sending the CDI to the customer's address of record; or by calling back the customer at his or her telephone number of record. Castleberry discloses CPNI to a customer in person at its retail location when the customer presents a valid photo ID and the ID matches the name on the account.

5. I have personal knowledge that Castleberry has adopted a policy for CPNI compliance that includes opt-out procedures that comply with the Federal Communications Commission's ("FCC") rules and requires Castleberry to maintain records of its own and its affiliates' sales and marketing campaigns that use customer CPNI. Castleberry's policy also requires it to maintain a record of its supervisory review of any outbound marketing campaign and all instances where CPNI was disclosed or provided to third parties, or where third parties were allowed access to customer CPNI, including a description of each campaign, the specific CPNI that was used in the campaign and what products and services were offered as part of the campaign. Castleberry will retain all such records for a minimum period of one (1) year.

6. I have personal knowledge that Castleberry will maintain records of any discovered breaches, notices to law enforcement, and their responses, for at least two (2) years.

7. I have personal knowledge that Castleberry has not received any information with regard to the processes pretexters are using to attempt to access CPNI.

On behalf of Castleberry, I represent and warrant that the above certification is consistent with 47 CFR § 1.17, which requires truthful and accurate statements to the Commission, and acknowledge that false statements and misrepresentations to the Commission are punishable under Title 18 of the U.S. Code and may subject Castleberry to enforcement action.

Executed on this the 14th day of February, 2014.
